Message from the Author

For this 6th volume I've put into effect the character votes. So far, according to your letters, number 1 in popularity is Tamaki. This Minami's favorite is Takarai. The rankings are still undecided. It seems that Asahi seems to lack something, though (wry laugh). I will be formally announcing the count soon, so please look forward to it.

CAST

The guy who ran off with the ring meant for Tamaki. He keeps calling Seri "Ena"...!?

Shii's girlfriend. She keeps waiting for her missing boyfriend.

A second-year student at Futsuuka. The ace of the karate club, and popular with the ladies.

Seri and Tamaki's classmate. Does he have an interest in Seri...!?

He's enrolled in Risuuka, the same school as Seri. He's in his second year. His house is a karate dojo.

A high school student who likes karate. She's in her second year at Risuuka, and is dating Tamaki.

STORY

Risuuka, are being divided up! However, Seri has the strength of love on her side! So, she transferred to Risuuka. Seri became a class committee member, and while staying after school to fulfill her responsibilities, she was assaulted by fellow committee member Takarai. In order to test Tamaki and Seri's bond, Takarai tried to humiliate and shame Seri in various ways. But, because of the strength of Seri and Tamaki's love, his interest in Seri had only deepened.

Love-love revival ♥ ! Tamaki and Seri decided to celebrate their birthdays by exchanging rings on a trip to the sea. But before they could, a guy named Shii snached away the ring Seri was going to give to Tamaki. Shii mistook Seri for his girlfriend, Ena, who looks a lot like her. Seri started to follow this guy, but fell into the night-time water...

Seri went to the last goukon* of the summer. There, she ran into Tamaki, an old acquaintance from karate class and her first love. At the goukon she got played around with by Tamaki and the whole thing turned out to be a disaster. However, Tamaki invited her to go hang out in the dojo.

At the dojo Seri challanged Tamaki to a karate match, with a handicap on Tamaki. The result was a crushing defeat for Seri. As a result, Seri wound up becoming Tamaki's "toy." Actually, Tamaki thought up the "toy" idea so he would have an excuse to be around Seri. When they found out they both felt the same way towards each other, they started dating and became a couple.

In the middle of them acting all lovey dovey, they find out that Seri's section of the school, Futsuuka, and Tamaki's section...

NOTE Goukon is basically a big group date. Usually a girl knows a guy, they both round up their single friends and go hang out in hopes of hooking up

Make sure to read the bit the end, okay?

This chapter concludes the Birthday present exchange storyline. There were many people who anticipated the correct storyline, and figured out Shii's true nature. In this chapter, Shii takes over Sari's body (wary smile), and Sari's puzzle gave me a lot of problems.
There's basically no light in there, and it took a really long time to draw.
The scene I drew with the most gusto this time was the one where Shii appeared in the morning light in front of Sari. It was more likely I had to draw Sari falling backwards. ^^;
I really want to get better at drawing people's bodies.
When I draw these ghostly things (even though it's in Ran-Shuu) my work is so poor. I can't believe I'm so successful at it (although I do try). I'm really happy when new people start reading my work.
I must work hard, and be diligent

Welcome.

Hello!! This is Minami Kimura and this is the 6th volume of Ren-Ai-Gyo!!!! Woo hoo! It's also Minami's 10th volume for EC! Yaaaaay!!!

Thank you so much to all the people who have given me such a kind reception allowing me to come this far. Thank you from the bottom of my heart.

Well then, From this 6th volume we're planning a vote on the characters (note the deadline). If Minami's manga characters could vote. I bet they'd want to turn this into a drama manga... Everyone please vote. There will be presents!! (winners chosen by lottery) Minami will vote for Takaraa-kun!!! (laugh) We'll announce the results in volume 8! For detailed information, please see p. 160-161.

Now, about the cover design for volume 6. It wound up being this color... I was drawing it imagining a lot of yellow. Really, I drew thinking of that (laugh). I wonder what will happen with volume 7... Please look forward to it.

Guest Girl on the back cover... She wound up kinda looking like a fast-food worker... (very laugh)

This chapter is about the cultural festival. Heroin Prince Sora returns!! (laugh)
But, that "<the quote>" made it seem like an election - especially with that strap on the shoulder. Only at the cultural festival can everyone wear clothes other than the uniforms. so it was a very enjoyable chapter. Again is wearing women's clothes. Takarai-kun being liked by the author (that's me) is wearing French clothes (although only on the upper body). Also, I never thought about that Yamasaki-san coming back. (laugh)
The difficult part about drawing Yamasaki-san is the glasses. I like boys who wear glasses but... it's hard to draw, and I'm not good at it.

JUST LET IT BE LATE!

Seri.

By "Seri," I mean the character "Seri" of course.

...That's right... In the first edition of volume 5 there were a few places where the kanji for Seri's name was wrong. (They have been corrected from the 2nd edition onwards ^^)

To make matters worse, one of them is when Tamaki and Seri make up (?) and Tamaki says "I love you, Seri." The kanji for "Ai" was printed wrong in a humongous font...!!! Even since I started "Ren-ai Shijou Shugi", I've received the most number of letters pointing out this mistake...

There were no mistakes in the magazine issues. But because we switched PCs, there were some issues with kanji where I asked for a bigger font ^^ I wasn't trying to send a message by putting in wrong kanji, ^^ I myself was in great shock.

Especially because it was the first time Tamaki said "I love you"~^^ In addition, characters in my manga rarely say "I love you" side side side. Because of this, a lot of letters that I received after volume 5 was released used the wrong kanji for "Seri"~

I didn't mind about the other typos as much as this one...

OH.

5 The place that makes me feel embarrassed in this chapter is when Sora and Tamaki are showing the karate forms. It was difficult ~~。#+ The real karate forms are in fact much much more beautiful! That's to be admired! I especially admire those people who are good at either sports or music (besides these, I also admire experts who are good at other things). I started learning piano when I was in kindergarten (it was an electronic piano that I was playing in kindergarten) and stopped in my second year of middle school ♪ But, I was not good at it at all. It's almost impossible for both of my hands to play on different keys at the same time. I thought that piano was not for me. In fact, I almost never practiced, 'cause I really hated it.

Safety

If you ask what's meant by "safety", I would say it straight: it's about contraception.

There are often letters coming in asking me questions such as "has Tamaki been using condoms?"
The answer is of course YES.

If the answer is "yes", then does it mean that Tamaki has always brought a condom with him wherever he goes (ex: dojo)? Some people might think that's lecherous, but it doesn't matter. Even though it's lecherous, people who are careful about contraception are always better off. Sex has to be safe and happy. This is the basic principle. So, everyone, please recommend this to your boyfriends, so that there won't be any regrets in the future.

Why don't we have scenes involving contraception in Shugi? They are simply abridged. If it's necessary to include these kind of scenes in the future, then it'll be shown. (But, not limited to Shugi!)

Anyways, even though one must spend money on it, safety is a must! Please have sex that won't give you any regrets!!

I REALLY WANT TO TAKE REVENGE AGAINST HAYASAKA-KUN,
BUT SINCE I'M NOT PREPARED ENOUGH, I DON'T WANT TO DO IT RASHLY.
Yes?
HEY... WAIT!

YOU MUST KNOW THAT THE PRIZE'S GIRLFRIEND IS NOT ALLOWED TO PARTICIPATE IN THE LOVER FOR A DAY CONTEST
DO YOU REALLY THINK THAT I SUPPORT THIS EVENT?
THE TICKET I NEED TO WIN THE DATE WITH TAMAKI IS...
SO, THIS IS WHAT YOU'RE DOING
I WAS WONDERING WHY YOU CHANGED OUT OF THE WAITRESS OUTFIT YOU WORE IN CLASS...

The French-style Shirt

7 Takarai will appear a lot in this chapter. Ha ha ha. Asahi's disguise as a girl is also very cute. One could say that he's just like a girl with thick eyebrows.

This time I wanted to depict the Takarai that is perplexed by kissing. The feeling that's hidden behind his subtle facial expression will become clear in the next chapter and the side story (it has been decided that in the side story in the 8th volume of Ren ai, Takarai will be the main character).

Besides, the cultural festival really makes me yearn for the good old days. When I was a student, I didn't participate much in the student committee and activities. Now I regret that a lot. I would have participated if I'd known how much I would regret it now. During my years in college, because it's wasn't mandatory, I participated even less. After I became a mangaka, I couldn't participate at all. Ahhhhh... I really want to go back in time... So everyone, you should participate in a lot of school activities so that you won't regret in the future.

SLAM
I WONDER WHAT'S SO GREAT ABOUT THAT...
HAVING A A DATE WITH THE PRINCE,

PC.

A computer ... Finally... I was finally able to get one! Shi-shi thank you. Now I can join the people in the modern world.

Or so I thought...

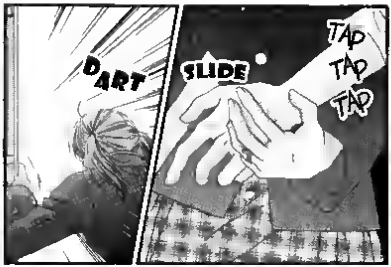
Because of the delay in my work, I haven't been able to even touch it. I haven't even turned it on by myself yet. No, well, that's also because I don't have access to the internet yet. Yeah, that must be it! When I am able to connect to the net, I definitely want to download the wallpaper for Ren-ai Shugi! I haven't seen any of them yet. Ehhh...

And when I can check out the website, I will also start updating illustrations more regularly! I think! I hope.

I'm sorry for the lack of updates...

And also, I want to try shopping online ... like for books. If I buy a whole bunch at the store, they're too heavy to carry home. (So ask for them to be delivered.)

This is unrelated, but when I work alone, I lead a very frugal life (ha ha). I work late, and on top of that I don't feel like going grocery shopping, so my food stock gets depleted, and I get ulcers. I'm an idiot. And so, I look forward to my assistants coming in (laugh). I mean they bring me proper food... I love doing the hot pot in the winter... Can't do that alone...



ARE YOU ALREADY SATISFIED, TAKARAI-KUN?
!
It's so hot
IF YOU'RE SATISFIED, WHY DON'T YOU GO BACK TO CLASS AND HELP OUT?

YOU SHOULD BEHAVE LIKE YOU NORMALLY DO IF YOU FEEL INDIGNANT, JUST SHOW ME YOUR INDIGNANT FACE.

CAN YOU JUST USE JUNKEN TO DECIDE?
HEY, YOU GUYS...

I won't let you guys date Sar—kun
GRAB
But I'm the person who found it.
We found the ticket because of something I said, right?
GRAB
ONLY ONE PERSON CAN WIN.
Even though we all arrived at the same time...

MINAGAWA-KUN, CHOOSE ONE OF THEM.

And this way they won't quarrel with each other

So the people who won the date with Mina gawa kun are
I'M DEFINITELY A PRINCE.
DO YOU THINK THAT YOU'RE A PRINCE?

IT'S TAKING SERI-CHAN QUITE A LONG TIME TO FIND IT.
DID YOU REALLY NOT TELL HER THE HIDING PLACE?

9 This is the school trip chapter of the series. Well, it was initially really supposed to be "chapters"... but I've already used ocean-related events in the ring exchange chapters, and it seemed a little half-hearted to have them simply escape during the school trip... so I decided to wrap things up in just one chapter. The plot is rather chaotic and I quite like it.
Takarai-kun is hilarious (laugh). After this chapter, the number of Takarai supporters increased... (well, they increased the most after the extra story in volume 8 but...) I've got to give it to Tama-chan for his ruckus. I wonder if I can still call him a hero... well, it's important for readers to get acquainted with him... I also altered the way Seri wears her school uniform, since she was always the same... I personally like her new hairstyle... Oh, and wrapping the sweater around her waist...

BUT YOU'VE ONLY KISSED IN THE PAST 3 MONTHS.
YEAH.
IT'S NOT RUSHED AT ALL.

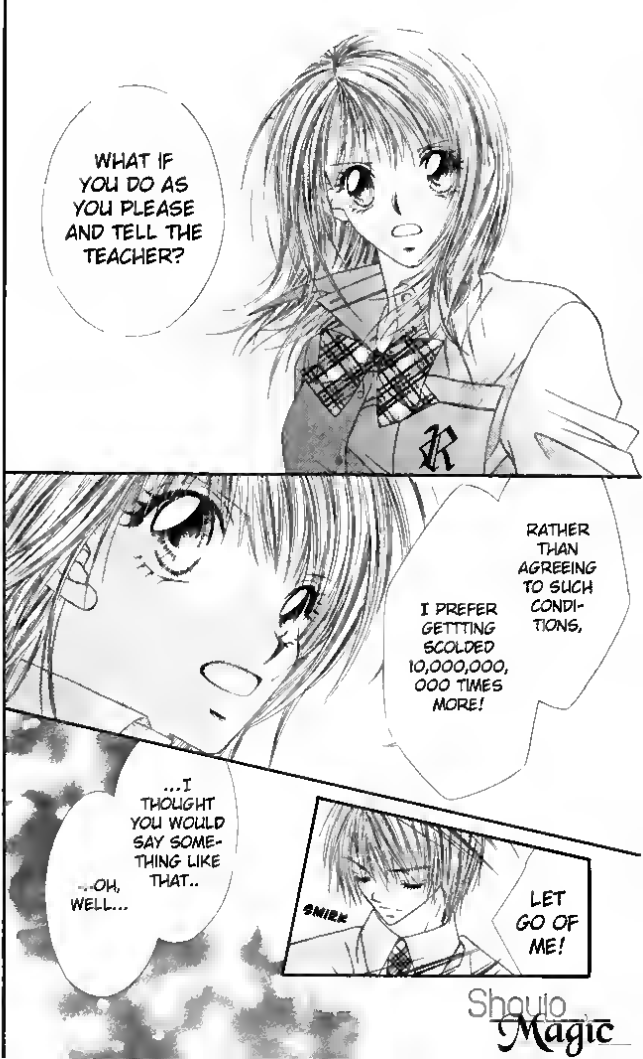
First.

It was my first time riding an airplane. Of course, it was for the purpose of collecting data on Okinawa.
Although they said that the waves would make the trip less enjoyable, I originally didn't have that feeling. Speaking of trips, I've never went on a field trip before.
(Well, that's not totally true. I've been to Itomi a lot.)
Furthermore, from middle school to high school, it was the same city, Kyoto. Because it was in Nara. Anyways, I've never been out of Honshuu. Speaking of airplanes... until recently I thought you needed a passport for the domestic line (how embarrassing).
Let's see. Okinawa... hmm it was the best!!! The cool waves were paradise! And the sea was soooo beautiful! Make sure you go in the water. I was also deeply moved by the view of the sea. Although I stayed there for 3 days and 2 nights, it went by too quickly. Next time I want to stay there for a week. I didn't have an interest in vacationing until I saw the waves of the ocean. I began to have a curious feeling towards it.
During the 3 days, the weather was so nice. Lucky me!
I definitely want to go again!!
While editing the field trip story, in the middle of it I had Seri-chan take pictures. I'm practically in the water now. In the past, I've wanted to go in the water but I was too afraid to. I'm so happy I can do it now.

Note: Honshuu, Nara, and Itomi are names of places.



WHAT IF YOU DO AS YOU PLEASE AND TELL THE TEACHER?
RATHER THAN AGREEING TO SUCH CONDI-TIONS,
I PREFER GETTTING SCOLDED 10,000,000, 000 TIMES MORE!

LET ME INTRODUCE THE TEACHER WHO WILL BE REPLACING HONGO SENSEI WHO HAS LEFT ON MATERNITY LEAVE FOR THE THIRD TERM
HE WILL BE THE ASSISTANT FORM TUTOR FOR 2-1
SAKURA SENSEI, PLEASE COME IN.

11 ***Ren-ai Shijou Shugi***'s most satisfying new development (laugh) is when the new character Io makes his debut appearance. He looks like a great person, yet his character is... This time things are bad, really bad! As the car goes flying and sinking into the sea, there's no information at all.

It really saddens me to actually see that the news didn't have any related information on the internal details of the car. And in the end, what was found was actually a convertible! This is only the beginning of Io's doings (bitter smile). The next volume will be even better, so please stay tuned(!?) Please also look forward to meeting Seri's parents in Volume 7 as they make their debut (laugh).

I'M YOUR BIOLOGY TEACHER, SAKURA IO.
ALTHOUGH THE THIRD TERM IS SHORT,
I STILL WISH FOR US TO WORK HARD TOGETHER!
WILD FANKY
Whisper
Is he really a teacher?
What? He looks small
Those clothes
And the earrings
We're going to have our finals soon is it going to be okay?
HEY!
SILENCE!
RAISE
Rustle

SMACK
BY THE WAY, MY SPECIALTY IS—

IT'S BEEN A WHILE!
TAMAKI! LOOK!! IT'S THE ONE WHO WAS OFTEN GROUPED WITH YOU AT THE DOJO!
IT'S IO-NII!!
Wave
Wave
Sit down, Nanase-kun

HEE-
I WOULD NEVER HAVE THOUGHT THAT IO-NII WOULD BECOME A TEACHER!
AT FIRST WITHOUT GLASSES, I COULDN'T RECOGNIZE YOU!
IT HAS BEEN ABOUT SIX YEARS SINCE WE LAST MET...

Ahahaha
SERI, YOU HAVEN'T CHANGED AT ALL!
PLEASE BE KIND TO ME WITH MY BIOLOGY SCORES!
BUT I'M REALLY DELIGHTED THAT YOU ARE THE TEACHER!
WHEN I WAS AT THE DOJO
IO-NII WAS STILL A HIGH SCHOOL STUDENT
THAT MAKES YOU 23 YEARS OLD
Now, let me calculate
TAKARAI'S FATHER...!
COULD YOU PLEASE UNLOCK THE CHIEF DIRECTOR ROOM?
DUM
IO,
HAVE YOU FORGOTTEN ABOUT IT AGAIN? CHIEF?
LET'S WORK HARD TOGETHER IN THE FUTURE!

....?
AHAHA...
You're right.
THAT'S BECAUSE, YOU HAVEN'T FINISHED ANY PRACTICE PROBLEMS FOR THE HOLIDAYS!
WITH YOU CURRENT STATE EVEN IF YOU PASS BIOLOGY ONLY, THERE'S NOT MUCH MEANING TO IT, RIGHT!?
SILLY GIRL
THAT'S GREAT!
WITH IO-NII I MIGHT NOT HAVE TO FAIL BIOLOGY EVER AGAIN.
Yay!
Is it the same for other teachers?
SO CLOSE TO THE CHIEF DIRECTOR?
BUT WHY IS IO-NII...

SO I'LL GO CHANGE MY CLOTHES
WAIT A WHILE FOR ME!

(Huff)
WE'LL BE GOING TO YOUR HOUSE LATER TAMAKI. AND YOU CAN DO WHATEVER YOU
This is so embarrassing
TA-
WHAT'S
WRONG?
Nn.

You must never be alone with Sakura.
No matter what the reason.
I DON'T WANT TO DO THAT! IT'S NOT LIKE HE'S TAKARA!!
I THINK THAT YOU'RE JUST BEING JEALOUS...
SERI

TAMAKI.
Please!
ALL RIGHT OKAY...
I WILL NEVER BE ALONE WITH HIM.
SO,
PLEASE DON'T LOOK AT ME THAT WAY...

I'll be right back.
SCREECH
VROOM
SAKURA... SENSEI...!?
I HAVE SOMETHING TO TELL YOU.
GET IN THE CAR!

I HAVE NOTHING TO SAY TO YOU
SERI WAS TAKEN TO THE CHIEF DIRECTOR'S ROOM, QUITE OFTEN, ISN'T THAT RIGHT?
HIS SON. KOU-KUN..
I just heard about that.
WHAT DO YOU AND THE CHIEF DIRECTOR HAVE GOING ON ..!?
DO YOU HAVE SOME-THING TO ASK ME?
WHAT KIND OF RELATION-SHIP HAVE I GOT WITH TAKARAI GROUP?

.....
GET IN THE CAR, TAMAKI.
TAMAKI SORRY TO MAKE YOU WAIT!
OPEN

He disappeared!!
WHAT DO YOU WANT TO SAY?

SERI'S STILL WAITING FOR ME

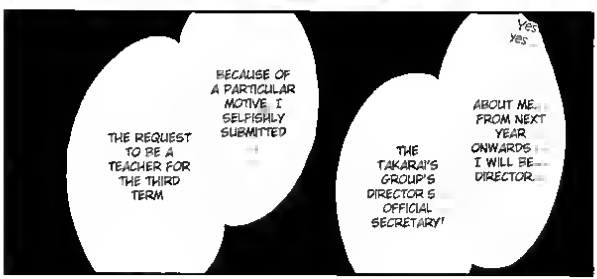
YOU DON'T NEED TO BE SO ANXIOUS,



THE REQUEST TO BE A TEACHER FOR THE THIRD TERM
BECAUSE OF A PARTICULAR MOTIVE I SELFISHLY SUBMITTED
THE TAKARAI'S GROUP'S DIRECTOR'S OFFICIAL SECRETARY!
ABOUT ME. FROM NEXT YEAR ONWARDS I WILL BE DIRECTOR
Yes Yes

MOTIVE?
...!
BY THE WAY,
HOW'S THE EFFECT OF THE DRUG?
DRUG?
...?
EH?
DIDN'T SHE USE THAT DRUG ON YOU?
ITS EFFECT IS STRONG, RIGHT?
NO MATTER WHAT THE REASON, NONE OF THEM CAN GO AGAINST IT
THE OTHER DRUG THAT LEAVES A PERSON PARALYZED.
HOW ABOUT IT... SHE...

WHO ARE YOU TALKING ABOUT?
IT'S SO OBVIOUS THAT YOU ALREADY KNOW WHO IT IS
THE ONE I'M TALKING ABOUT IS KUJIYOU AYANE!

In Volume 7, due to the appearance of Io at the end of Volume 6, Seri, Tamaki and Kou's feelings will continually be hurt, it's really dark. I hope that everyone gives their attention to Kou's pure love. So... we shall meet in volume 7!
